Jeeto Strong CNG - with more features

When a mini truck gives a range of 400 km^{##}, you are driving on the path to progress. It is more efficient than other light trucks and travels 400 km^{##} nonstop. With an improved payload of 750 kg, the new Jeeto Strong CNG is not only powerful, but your ultimate companion for effortless intercity travel. Get ready for the new Jeeto Strong CNG, setting a new standard in the light truck world.

Jeeto Strong CNG - with better performance

- Large payload of 750 kg allowing more load to be carried in a single trip.
- Power of 15 kW and torque of 44 Nm which gives it an excellent pickup.

Jeeto Strong CNG- with more safety

- Segment's first Electric Vacuum Pump Assisted Braking System for improved braking performance
- Semi-forward cabin that makes Jeeto Strong safer
- Long wheelbase of 2500 mm which provides excellent stability even on difficult roads

Jeeto Strong CNG - with more saving

- Best-in-class mileage of 35km/kg* which helps in cost-effective and high-earning
- Large 2257mm cargo box that can carry more load in one trip
- Best-in-class warranty of 3 years/72000 km** which makes maintenance costs easier and earns more

Jeeto Strong CNG - with more comfort

- New and user-friendly digital instrument cluster allowing the right maintenance at the right time
- Better rear suspension that can carry heavy loads with ease
- The large cabin provides ample legroom, headroom and shoulder room to provide comfort to the driver.
- Small turning radius of 4.3 m which makes driving easy in narrow streets and heavy traffic

Jeeto Strong CNG - with more range

- 68l (40l + 28l) cylinder that gives maximum range
- Runs nonstop up to 400 km^{##} on a full tank
- Takes more intercity trips
